Muang Thai Life Assurance Public Company Limited
Announced on 20 November 2026

Notice of Removal of ABSL Fund
abrdn Siam Leaders Fund
From Funds Offered Under Muang Thai Unit-Linked

Impact on unit-linked life insurance policyholders is as follows:

1 Handling of Premiums Related to the Removed Fund Under Muang Thai Unit-Linked

- **Cannot** select to invest in the ABSL fund.
- **Cannot** pay top-up (additional savings) premiums by selecting the ABSL fund.
- **Cannot** switch target funds into the ABSL fund.
- **Cannot** allocate new investments for subsequent premiums starting from 21 November 2026 into the ABSL fund.
- **Cannot** set up automatic investment rebalancing by selecting the ABSL fund.

2 Existing Customers Holding the ABSL Fund Will Receive the Following Documents

1 The Company Will Send a Notification Letter Regarding the Removal of the ABSL Fund

The Company will send a notification letter to every customer who holds an active insurance policy with an investment allocation selected for the ABSL fund and/or holds investment units of that fund under their policy.

The Company will also recommend the SCBTHAICGA fund as a replacement for the ABSL fund.

27 November 2026

2 Guidelines and Actions for Existing Customers Holding the ABSL Fund

Submit a new investment allocation form to other eligible funds available under Muang Thai Unit-Linked.

Single-premium policies: Fund switching, Regular Top-up, and Automatic Fund Rebalancing (AFR).
Periodic/installment-premium policies: Fund switching, Regular Top-up, Automatic Fund Rebalancing (AFR), and investment allocation for subsequent premiums.
To be completed within:

28 December 2026

3 If the Customer Takes No Action

If the Company does not receive notice of any change, the Company will automatically switch/redirect the fund for Regular Top-up and/or Automatic Fund Rebalancing (AFR) and/or investment allocation for subsequent premiums from existing investment units held in the ABSL fund to the SCBTHAICGA fund.

29 December 2026

Note: For unit redemption transactions—such as policy withdrawals or switching out—transactions can still be processed as normal.

Recommended Replacement Fund Under Muang Thai Unit-Linked

The Company recommends the SCB Thailand Good Governance Equity Open-End Fund (Accumulation Class) (SCBTHAICGA).

Details	SCBTHAICGA
Fund Type	Equity Fund (Thai Equities)
Risk Level	6
Investment Policy	Invests in equity instruments of companies listed on the Stock Exchange of Thailand (SET), the Market for Alternative Investment (mai), or other secondary markets of the Stock Exchange of Thailand, focusing on companies with good corporate governance, including companies certified as members of Thailand's Private Sector Collective Action Against Corruption (CAC), where consideration of good corporate governance may take into account CG Scoring rankings by the Thai Institute of Directors Association (IOD) or other relevant agencies, averaging not less than 80% of NAV over the accounting year.
Investment Strategy	• The fund may invest in derivatives to enhance portfolio management efficiency and/or for risk management. • Overall fund management strategy: Aims for performance to outperform the benchmark (Active Management).
