IR CORNER

On 22 May 2020, OIC Board Resolved to Approve the Draft Notification Re: Governance and Management for Information Technology Risk for Life and Non-Life Insurance Companies

The aim was for insurance companies to establish some criteria and guidelines for governing and managing IT-related risks for security as well as handling potential cyber attacks under current operations in the digital age.

The criteria and guidelines for insurance companies to comply with are as follows:

Source: envatomarket

Source: www.oic.or.th

Criteria and guidelines for regulating and managing IT-related risks

1

Determine roles and responsibilities of board of directors

2

Manage risks of project executions

4

Manage risks effectively

6

Have an annual review

8

Have a system for cyberattack reports

3

Foster security policies

5

Regulate and oversee compliance with IT-related laws and criteria

7

Oversee preparation of readiness to handle cyber attacks
