### Remark:

The portfolio does not guarantee performance or returns, and there is no assurance that investors will achieve the expected returns as indicated. Additionally, past performance of each portfolio risk level does not guarantee future performance. Investors should study key information of the fund, especially investment policies, risks, and potential returns. Furthermore, investors may be exposed to exchange rate risks as hedging depends on the discretion of fund managers with foreign investments.

## Details and Underwriting Criteria

<b>Insurable Age</b>	30 days - 70 years
<b>Coverage Period</b>	Attaining the age of 99 (as long as the investment value is sufficient for payment of policy expenses)
<b>Premium Payment Period</b>	Single premium
<b>Minimum Regular Premium</b>	75,000 Baht
<b>Top-Up Premium</b>	Starting at 2,000 Baht per time
<b>Sum Insured</b>	Starting at 1.25 times the regular premium without limit on the sum insured
<b>Death Benefit</b>	The greater value between 1. Sum insured deducted by the redemption value of the partially withdrawn investment units (if any) 2. Redemption value of investment units plus 25% of the regular premium
<b>Maturity Benefit</b>	Redemption value of investment units upon the maturity date

**Remark:** Buyers should understand details of coverage, conditions and risks before making a decision to purchase insurance.

**Example** A 45-year-old male business owner, who is the head of a family taking care of his wife and daughter, wants to make plans for unexpected events so that his wife and daughter can continue living comfortably as before.

The life insurance agent proposes **mOne**, an insurance plan that addresses risk management needs with only single premium payment for long-term coverage until the age of 99.

Sum insured amount starting at  
6,250,000 Baht

Single premium amount  
at 5,000,000 Baht

## Protect your loved ones with mOne

1. Immediate life protection of 6,250,000 Baht and a potential increase of up to 53 million Baht at the age of 99
2. If you have a financial need at the age of 60, you can surrender the policy with a chance to receive the surrender value amounting to 9.7 million Baht.
3. In the unfortunate event at the age of 80, the family will receive a death benefit of 25 million Baht.

**Remark :** Example showing calculations as of September 2023 is for illustrative purposes only. It is an assumption to aid understanding and does not represent the actual returns that will be received from the policy. Returns depend on the investment conditions of the mutual funds. If the actual investment returns of the customer be lower than those shown in the table, it may impact certain policy features such as the partial withdrawal of the investment, and the policy may be terminated before reaching the age of 99, affecting the value of benefits and coverage as indicated in the table.

**Warning:** Buyers should understand details of coverage, conditions and risks before making a decision to purchase insurance.

## Policy Expense and Fee Table

Expense and Fee	Calculation	Expense Rate	
1. Insurance operating expense	<b>For regular premium</b> • deducted from paid premium before invested	<b>Regular premium (Baht)</b>	<b>% of regular premium</b>
		75,000 - 199,999	5.00
		200,000 - 499,999	4.75
		500,000 - 999,999	4.50
	from 1,000,000	4.25	
	<b>For top-up premium</b> • deducted from paid premium before invested	<b>Top-up premium (Baht)</b>	<b>% of top-up premium</b>
		less than 199,999	5.00
		200,000 - 499,999	4.75
500,000 - 999,999		4.50	
from 1,000,000	4.25		
2. Cost of insurance <sup>(1)</sup>	Calculate from mortality rate <sup>(2)</sup> and net amount at risk <sup>(3)</sup> , deducted monthly from automatic redemption by using the unit redemption price proportionate to the held fund.	The rate as approved by the registrar, in accordance with the Company's criteria.	
3. policy maintenance fee <sup>(1)</sup>	Deducted monthly from automatic redemption by using the unit redemption priceproportionate to the held fund.	The rate as specified in the expense table which is changed by up to 150 Baht/month in a calendar year.	
4. Partial withdrawal fee	200 Baht/time		
5. Surrender fee	None		
6. Fund switching fee	None		
7. Financial position report delivery fee	The Company shall deliver the financial position report at least once a month with no fee charged; however, after that the fee shall be charged at 50 Baht per report.		

### Remarks:

- (1) The calculation of cost of insurance and policy maintenance fee in the first month will be deducted from the paid insurance premiums before allocating funds for subsequent months. The Company will deduct it from the automatic unit investment redemption, using the redemption price, proportionate to the held fund.
- (2) Mortality rate is based on the Thai ordinary mortality table, as declared and subject to change by the registrar.
- (3) Net amount at risk is the sum insured minus the investment value or the minimum net amount at risk specified in the benefit payment terms, whichever is higher.

### Warning:

- The Company reserves the right to change expenses, fees, and cost of insurance rates, subject to approval from the registrar and notification at least 30 days in advance.
- Buyers should understand details of coverage, conditions and risks before making a decision to purchase insurance.

## The Insured's Rights

1. The right to cancel the insurance policy within 15 days after receiving the policy the Company shall return mutual fund unit redemption value plus remaining expenses and fees deducted by the Company's expense of 500 Baht and actual health checkup fee (if any).
2. The right to acknowledge the allocation of insurance premiums invested in funds.
3. The right to request prospectus regarding project details from life insurance agents or brokers.
4. The right to be informed of the list of all asset management companies that manage mutual funds offered by the Company.
5. The right to receive information about the name and address of the Company, as well as the name of life insurance agents/brokers.
6. The right to receive information about the risks associated with the recommended investment units, as well as to receive warnings and explanations regarding the investment risks involved in investing in those units.
7. The rights to be informed of facts that may impact the insured's benefits or investment decisions, such as the sale of mutual fund units during the process of fund consolidation or mergers.
8. The right to receive information about conflicts of interest, including purchasing or redeeming investment units.
9. The rights of unitholders under the policy without disclosing the names of the unitholders (omnibus account) that may differ from regular unitholders who purchase investment units directly through fund management companies. For example,
  - For unit-linked life insurance, the insured will not receive investment units or the value of investments in mutual funds on the day of processing due to the Company's underwriting process. The Company will purchase investment units after the policy has been approved.
  - It may take longer time for the insured to receive fund documents than purchasing investment units directly from the asset management companies as the Company will proceed to deliver the documents to the customers upon receiving them from the asset management companies.
  - The Company will deduct cost of insurance, expenses and fees monthly from the automatic unit redemption as specified in the Policy Expense and Fee Table (refer to Policy Expense and Fee Table).

# Meeting the Lifestyle You Desire

Pass on security to your loved ones

**mOne** Designable happiness in every stage of life

## Validity of Insurance Contract

In case the insured knowingly makes false statement or knowingly omits to disclose any fact to the Company for acknowledgement while applying for the insurance, where if the Company had known of such fact, the Company may be induced to charge higher premium or cost of insurance or refuse to enter into the insurance contract, then this insurance contract will be voidable according to Section 865 of the Civil and Commercial Code which the Company has the right to void the insurance contract and not to make any policy payment. The Company's liability will be limited to returning unit redemption value, allocation charge for premium, policy administration fee, collected expenses and fees without interest.

## Exclusions

1. In case the insured voluntarily commits suicide within 1 year from the effective date or the date that the Company approves to increase the sum insured amount which shall apply to the increasing sum insured amount only.
2. In case the insured is murdered intentionally by the beneficiary.
3. In case the insured declares an incorrect age and the actual age is outside the premium rate limit according to the normal business practice of the Company.

## Remarks:

- **mOnePlus** is a marketing name of Muang Thai Unit-Linked 1 Insurance Plan (Single Premium).
- Applying for insurance, changing, or canceling a base plan or a rider may impact the premium amount (excluding investments) eligible for annual personal income tax deduction.

## Warnings:

- Investments are risky. The insured may receive more or less money than the premium value that is allocated to mutual funds. If a mutual fund performance has profit, the insured will receive high return. However, if mutual fund's performance has dropped, the insured will receive low return or might receive a loss in some cases, meaning that investment amount to be received may not be in full. Moreover, this policy does not guarantee the investment amount.
- This policy is suitable for long-term savings. As there is surrender and partial withdrawal fee, the partial withdrawal amount or cash surrender value may be less than redemption value. The insured should study details from the expense table and the surrender fee table.
- The insured should study the details related to risk from mutual fund investment in the prospectus.
- Mutual funds are juristic persons independent from the life insurance company and asset management company. As such, the life insurance company and asset management company are not obligated to compensate for losses sustained by the mutual funds and are prohibited from using the mutual funds' assets to settle its own debts.
- Mutual fund performance is not subject to financial status or performance of life insurance company and asset management company.
- The insured can study the information regarding fees and expenses of other funds than stated in this policy from the prospectus.
- Buyers should understand details of coverage, conditions and risks before making a decision to purchase insurance.
